

## Time table - important notes

Dear Athletes,

we look forward to seeing you in Hagen a.T.W. to Covalliero Dressage Days 2025

Due to the number of entries, we had to adjust the timing table.

To make sure that our show in Hagen runs smoothly, please take note of the following directions:

### EHV Prevention (horses)

On arrival, for national horses the **3-day temperature protocol of all horses** must be handed in. For International horses and trainings horses please use the **FEI Horse App**.

The fever is measured on arrival in the horses' boxes assigned by the rider / groom in the presence of the FEI veterinarian or a person authorized by him (bring your own thermometer). Once the horse has been stabled, it is mandatory to measure a fever twice a day and enter this in the the FEI Horse App (international horses) or form(national), which must be visibly attached to the box.

### Health Paper

If you need "Health Paper" for your horses, please fill in the form and hand it in to the show office by Thursday. 10.00 a.m.

Dear all,

as some of your riders will participate in the CDI in Hagen a.T.W this week, the local veterinary authorities have ask the organiser to remind you that the horse/horses you are bringing to the event must be registered in TRACES which is EU System for horse transport within the EU.

Please be advised that if your horse/horses are not registered in TRACES you might have trouble to transport the horse back. Please be so kind and advise your riders accordingly. Thank you very much for your help.
